He told us that the most important
factor in life is the home and a
godly heritage our greatest asset
along with church and Sunday
School attendance. Our parents

may leave us money but much more important
is the godly influence of christian parents. He
paid much tribute to his own mother whom
I am privileged to have as a house guest each
time she visits her son in Milton.

Rev. Ben Herrold & Dewey Herrold were
also inspired to give us some timely helps
on family life.
