

1974

The 62nd Annual Herold Reunion was held at the Salem Picnic Grounds (2 miles) west of Leesigrove on Sunday July 28, 1974. Our president Dewey L. Herold opened the meeting by telling us that Rev. Ben Herold who had never missed a meeting from the beginning was in serious condition from an operation and suggested that we all sign the get well card which he passed around and sent it to him. A few months later at his viewing, his daughter Louella told me how pleased he was with it. My sister Ada Reichenbach read it first in paper and said our faithful Ben Herold is gone and his memory should hold the Reunion together and all strive to be as faithful as he was and taught.

Soon my sister passed <sup>away</sup> a few days after having a nice Christmas season without suffering. She enjoyed the Herold Reunion and folks.

The same day, my dear friend Mary Shaffer also passed away and buried the same day.

Her brother Francis had copies made of a poem written by his brother John's daughter Dorothy of California with her picture at top and will pass them out to those interested. His

father Austin Shaffer used to read dutch poems for us in his delightful manner.

Then our faithful past president John C Herold after a long illness was not with us at the next Reunion leaving many precious memories.

Also Welcome Amber who will be missed and was proud to say that he and Florence both had Herold grand parents.

The Secretary's report was given and accepted. Also the Treasurer's report. He discussed the possibility of having Coat of Arms printed and given to folks.
